## 95% AFUE GMH95 TWO-STAGE (HYBRID) MULTI-SPEED GAS FURNACE

*Engineered for a lifetime of comfort.*

### PERFORMANCE AND RELIABILITY

When you buy a EVEREST 95% AFUE Multi-Speed Gas Furnace, you are purchasing long-lasting comfort at a good price. EVEREST 95% AFUE Multi-Speed Gas Furnaces are designed to provide you with years of quiet, trouble-free service—and high-efficiency performance that means significant cost savings for you.

EVEREST 95% AFUE Multi-Speed Gas Furnaces are manufactured with quality components that you can rely on. These features include a quiet, corrosion-resistant induced-draft blower motor and a multi-speed direct-drive circulating blower to reduce the sound levels common in other furnaces. The unit is multi-position to fit any application, has a durable Silicon Nitride Ignition System, and has integrated controls with diagnostics for further reliability.

### FEATURES

- Aluminized-Steel Tubular Heat Exchanger  
Stainless-Steel Recuperative Coil
- Lifetime Heat Exchanger Limited Warranty  
*PLUS* 10-Year Unit Replacement Limited  
Warranty
- 95% Efficiency - Eligible for a \$150 Tax Credit
- Quiet, Comfortable Two-Stage Heating
- Durable Silicon Nitride Igniter
- Fully Insulated Cabinet
- Baked-Enamel Finish
- Multi-Speed, Direct-Drive Blower

### FOR CONSISTENT HEATING COMFORT YOU CAN COUNT ON

Unlike conventional, single-stage furnace technology, EVEREST's Two-Stage (Hybrid) technology eliminates the temperature swings resulting from abrupt, high-stage stops-and-starts of the furnace by operating at a low heating stage the majority of the time. This enables your EVEREST GMH95 Gas Furnace to gradually and pleasantly increase the temperature of your home environment. And if low-stage heating doesn't warm your home to the desired temperature quickly enough, your GMH95 Gas Furnace will shift into high stage to ensure your comfort.

#### Benefits of Two-Stage (Hybrid) Technology Include:

- Quiet furnace operation
- Virtual elimination of the stagnant pockets of air that can form when the furnace stops running
- Increased air filtration providing improved air quality

# 95% AFUE GMH95 TWO-STAGE (HYBRID) MULTI-SPEED GAS FURNACE

## Average Yearly Heating Costs\*

**95% AFUE: \$1,842**

**60% AFUE: \$2,924**

A new **EVEREST GMH95 95% AFUE Gas Furnace** could save you up to 37% on your heating bills when compared with older units, assuming new and previous units are sized to provide the same output capacity.

\* Costs determined using the Energy Star® savings calculator provided by the DOE and EPA. These figures are for comparison purposes only; actual costs will vary according to personal use habits, square footage, location, how the unit is installed, the construction of your home and the area of the country in which you live.

**ENERGY STAR**

Plus, at 95% AFUE, your multi-speed furnace meets the high-efficiency standards of the Environmental Protection Agency's Energy Star Program initiative.

And about those tax credits... The Energy Policy Act of 2005 provides a tax credit of \$150 for consumers purchasing a furnace with an energy-efficiency level of 95% AFUE or higher. This tax credit is available for furnaces purchased between Jan. 1, 2006 and Dec. 31, 2007. Talk to your tax professional about EPACT tax credits or visit [www.energytaxincentives.org](http://www.energytaxincentives.org) for more information.

## UNBELIEVABLE WARRANTY

The performance of a EVEREST 95% AFUE Multi-Speed Furnace, high-quality aluminized-steel tubular heat exchanger is guaranteed with an unbelievable **10-YEAR UNIT REPLACEMENT LIMITED WARRANTY**: if the furnace's heat exchanger fails during the first 10 years after installation while in the possession of the original owner, the owner will receive a new, comparable EVEREST furnace for free. After the 10-year period, the unit reverts to a **Lifetime Limited Heat Exchanger Warranty**, one of the strongest warranties in the industry. The warranty reverts to a **20-Year Heat Exchanger Limited Warranty** for subsequent owners. Additionally, the unit is protected by a **5-Year Limited Warranty** on all functional parts.
